Increase Value on the Shelf

Gravity Roller Shelf

*The perfect addition
for every shelf*

The slide system of the „Perfecta“ Gravity Roller Shelf optimises your product presentation at the POS. An optimised and organised shelf will increase the number of products sold and gives your employees more time for more important tasks.

Advantages of the „Perfecta“ Gravity Roller Shelf

- Optimises and organises your shelving
- Automatic shelf management
- The product is always at the front of the shelf
- Improves the shopping experience for the customer
- Prevents forgotten products at the back

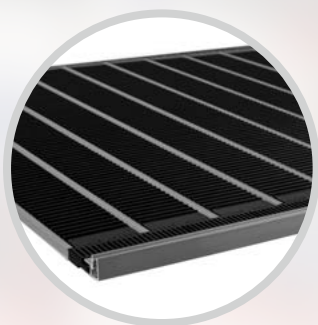

How do you Benefit?

- Automatic product feed for optimal, seamless product presentation
- Products easily accessible for the customer
- Usable for many product categories
- Reduced waste through continuous product feed
- Increase in sales
- Cost savings due to reduced working time (approximately 1.5 hours per day)
- Achievement of ROI (Return on Investment) after approximately 12 months

Pure Flexibility: Design According to your Individual Requirements

Gravity Feed Lanes

- ensure through gravity that the goods slide to the front of the shelf

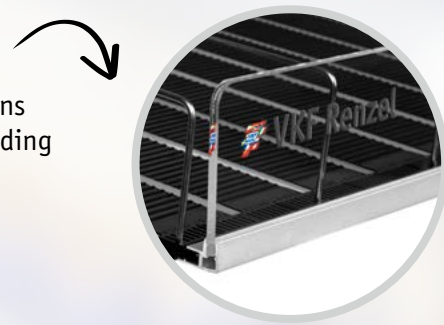

Wire Divider

- at individual heights, they serve to separate individual products from each other and keep them in an orderly row

Acrylic Front

- high-quality acrylic panels in custom dimensions stop the products at the shelf front while providing a clear view of the items
- through exclusive printing, you can enhance awareness of your brand or company

Print on Request

Accessories
